**PUBLIC NOTICE****California Statewide Interoperability Executive Committee  
(CALSIEC)*****ANNOUNCES NEXT MEETING***

**Thursday, August 16, 2007, 10:00 AM – 3:00 PM**

The California Statewide Interoperability Executive Committee (CALSIEC) was established in 2003 by the Director of the Office of Emergency Services (OES) to consolidate California's administration of state and nationally designated Interoperability channels, and to fulfill California's responsibilities outlined by the FCC in 47 C.F.R. §90.525.

**MEETING LOCATION:**

*Meeting will be held in southern California, at a location to be determined. See the CALSIEC website ([www.calsiec.org](http://www.calsiec.org)) for meeting agenda with the location information.*

This meeting is open to the public. Representatives of Federal, State, Tribal, County, City, and Special District Public Safety agencies, and non-governmental organizations with FCC Public Safety Radio Services eligibility are encouraged to attend and participate.

OES welcomes RSVPs from attendees for planning purposes. To RSVP, or for more information on the California Statewide Interoperability Executive Committee, please contact Marlo Brush at OES Telecommunications Section on 916.845.8612, or email [Marlo.Brush@OES.ca.gov](mailto:Marlo.Brush@OES.ca.gov).
